

W.A. Wright Elementary Summer Mission Project

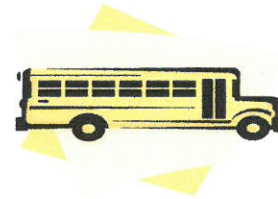

“WAW 1000”

In an effort to support the staff, teachers and students at **W.A. Wright Elementary**, during the month of July we are collecting school supplies for the classrooms. The goal is **1000** items! Reaching this goal would put approximately 30-40 new supplies in each classroom! Following is a combined student supply and wish list for grades K thru 5.

The school is **not** allowed to ask for specific name brand items. We **are** asking, for quality purposes. Please donate as many of each item as you can. All surplus items will be added to the children’s **Millwood Ministry** school supplies.

There is a collection box in the foyer. We will empty it each Sunday and keep a running tally. The principle and staff have already thanked us many times for the love the Green Hill Church family has shown to these children as community partners!

Call if you have questions, Donna Stevenson 615-347-1060.

Thank you!
